1 Q. Okay. If you look at the top part of the
2 email, the response from --

3 A. Mr. Mani.

4 Q. Yeah. Second sentence says, "Regarding
5 1000TC solid sateen, the comment is quite
6 surprising to us."

7 What does solid sateen mean?

8 A. It's a solid sheet set, so it's not a
9 stripe or with dots. So it's just a solid sheet
10 set. Sateen is just a certain weave.

11 Q. Can you explain the difference between a
12 sateen weave and any other kind of weave?

13 A. A sateen weave is a four over one. So
14 four yarns over one in the construction. It makes
15 it a softer sheet.

16 Q. And that would be opposed to what other
17 weave?

18 A. Percale would be two over one, so it's a
19 lot tighter and that makes a sheet crisper. I'm
20 sorry. That's one over one.

21 MR. LEGANDO: Okay. If we can go to
22 Exhibit 5, please.
